Breakfast

The University of Ballarat Technology Park and Ballarat IT Specialist Breakfast brings together ICT professionals and other stakeholders from Ballarat and the broader region.

Technology into the future

Telstra is Australia's leading telecommunications and information services company, with one of the best known brands in the country. They offer a full range of services and compete in all telecommunications markets throughout Australia.

Guest Speaker: Crispin Blackall, Director of Future Technology Solutions, Telstra

Crispin Blackall is Telstra's Director of Future Technology Solutions, a role where he is accountable for emerging technology strategy and leading a team that identifies innovation in emerging technologies.

Crispin commenced his career in book and magazine publishing in the late eighties, by the early nineties he broadened his experience into advertising, and at J Walter Thompson worked on iconic brands such as Kellogg's and Kodak. In 1995, he moved to Melbourne to lead the Communications Technology team for BHP which included Online, Publishing, Film and Major Events – a role he held for 4 years before joining Telstra at the beginning of 1999.

Over the past nine (and a half) years, Crispin has held various senior roles in Telstra including managing Telstra.com, Business Planning, Strategy, Technology Management and in his current Technology Strategy role in the Chief Technology Office.

The central theme of Crispin's address will be 'Technology into the Future'.
